It was nice to be meeting and working in a safe environment.

The venue had obviously gone to a lot of effort to ensure that guidelines were all met.

MEETING ROOM, OCTOBER 2020**

We were really happy with our recent meeting at New Road.

The venue was well prepared with the necessary Covid-19 precautions we felt secure and informed with the necessary procedures from the temperature check , track and trace on arrival through to the briefing in our room.

The meeting space itself was bright and having access onto the balcony was a real bonus allowing us to take regular fresh air breaks.

We would definitely go back.
